An Old Stone

EDITORIAL DCJ

Memorial Day inspired our cover. Any community which does not honor its heritage has lost its roots, its pride and is on the way to decivilization. That is not so in Mattapoisett. Memorial Day is not just a long weekend. Always, the gathering at the ceremonies and the participation by those who march are testimony that our town is firmly in touch with those who have gone before us; those to whom we owe everything. this stone is

dated July 25, 1825. It is located on a knoll only 2 blocks from the Grange Hall and, by U.S. standards, it is an ancient burial ground. The stones that still stand are so weathered that few of them are legible and most of the stones are missing completely. If they were standing and could be read they would bear dates from the 1700s and early 1800s as this one does. John M. Sturtevant, of 19 years who rests here, bears the name of one of the town's early 1800 citizens. His father, Samuel, was connected to the whaling/shipbuilding trade and appeared prominently in the town's affairs.

We have been led to accept the premise that the individual should depend on government from the cradle to the grave in the 1990s. Just think, only 170 years ago, this young man was cut short at 19 years and he lived in a whole different world. His time was governed by the values of the individual. Self-reliance was the quality that built the country in the late 1700s and early 1800s. It is fitting, therefore, that we honor this grave with recognition. Just as his life

Harbormaster's Boat Damaged

MATTAPOISETT SELECTMEN'S MEETING
MAY 21, 1991- by VIRGINIA MORGAN

Executive secretary Carol Adams reported to selectmen last Tuesday that damage was done to the Harbormaster's new boat as it was tied to the Middle Wharf in the channel approach to the ramp.

She said, "A person maneuvering a boat into the ramp hit the boat at 3:30 p.m. on Sunday. The accident was witnessed by Selectman Paul E. Lambalot. She noted a fiberglass repair man will repair the boat with restitution to be paid by the offending person.

Selectmen agreed the boat should be moved to the float at the end of the wharf temporarily until a better permanent space can be found.

Board members voted to amend the wharf parking regulations to include May 1 to October 1. Short, Middle and Long Wharves and the four parking spaces abutting the northerly end of the slip between Middle and Long Wharf shall be for "Sticker Parking". The wharf area northerly of Middle Wharf and the slip between Middle and Long Wharves (the central parking area) shall be for "Open Parking". Any motor vehicle may park in these areas, except that overnight parking is limited to those vehicles displaying a sticker.

In other business, Selectmen:

HELD A DOG HEARING with Fred Avery of 1 Barlow Lane who complained that two of the three dogs owned by Freda Ruel of 2 Barlow Lane bark constantly and has become a problem. His written complaints were followed up by this hearing. He said since the dog owner was notified of this hearing, the dogs have been quieter. (Mrs. Ruel did not appear at the hearing; however, she appeared after Mr. Avery had left and the hearing was over.)

Mr. Avery said the two dogs that bark are a shepherd mix and a smaller mixed breed. A third dog, a golden retriever, is no problem, he added.

Dog Officer Brian Nunes explained he sent to Mrs. Ruel several warnings and a letter to appear this night. He added he had not heard the dogs barking.

Selectmen agreed to continue the complaint, subject to receiving a report from Mr. Avery in a reasonable length of time on whether the dogs continue to be a problem. The dog officer recommended Mr. Avery keep a written report on the times and dates when the dogs bark. "We need evidence to determine a probable cause", Mr. Nunes said.

Speaking later, Mrs. Ruel said she has spoken to neighbors and none has a problem with the dogs; she offered to bring in signatures of the neighbors. She admitted the dogs do bark if anyone comes in from the woods, but that they do not bark at night.

APPOINTED Lynda Francis to the Personnel Board, at the recommendation of its chairman Ridgeway Crouch. Mr. Crouch noted that a vacancy has become available due to the resignation of Robert Fay who was elected to the Board of Assessors.

Mr. Crouch wrote Lynda Francis of 1 Bridle Path will be an asset by bringing fresh ideas and enthusiasm to the board. He highly recommended Ms. Francis.

NOTED THE TOWN has sent to SEMASS one check in the amount of $7,152 covering the billing period through March 1991, and will send a second check of $5,527.03, which includes 90 percent of the disputed amount due SEMASS ($2,757) and the town's fee for disposal of trash for the month of April at $12. per ton ($2,769). The town is required to pay 90 percent of the billed fees while the lawsuit against SEMASS is in litigation. "We feel the town should pay $12. per ton, whereas SEMASS is asking for an additional $9. per ton", said Selectman Daniel O. Mahoney. These payments were made at the recommendation of town counsel Thomas Crotty and has satisfied SEMASS at this time.

RECEIVED A LETTER from Genevieve M. Darden of Fairhaven, owner of property at Crescent Beach, expressing her discontent regarding the town's property evaluations.

She wrote, in part, "Even harder to understand is the appraisal of our land alone. Last year the assessors seemed to think that this 50 foot by 100 foot hurricane-prone lot was worth $103,500. This year, despite rapidly declining real estate values, the

assessed value has increased to $180,000--up 74 percent. Last year, at $10.30 per thousand, we paid the town $1,060.99 for the land only. This year, with the tax rate reduced to $9.02, we would support the town schools, and other facilities from which we do not benefit, to the tune of $1,623.69 -- up 53 percent. This is of course taxation without representation (we cannot vote at your town meetings because we live in Fairhaven), and I am glad that my father and grandfather, who bought the first two lots at Crescent Beach from Lilburn Hiller in 1908, are now here to see how much, and how sadly, your once-friendly town has changed."

Selectmen made the comment that she can file for an abatement with the assessors if she feels her tax is unfair.

WERE INFORMED by the Board of Assessors that the fiscal 1991 tax rate has been certified by the state Department of Revenue at $9.02 (last week's Presto had $9.05, an incorrect rate). The school rate is $5.95 and the general rate, $3.07 for a total of $9.02. This figure is down from $10.30 in fiscal 1990; however, there will be new assessment figures.

RECEIVED A LETTER from Mr. and Mrs. Francis Haggerty, 126 Brandt Island Road in which they expressed concern regarding the trash accumulated before pick-up in front of their home.

Selectmen Chairman John DeCosta noted this is one of several letters received by the Board of Health. Selectmen agreed there is a problem because the trash collector will not drive down the pot-holed Marina Drive. They will speak to Dale Barrows, health board agent, to check these legitimate complaints.

"Unfortunately for my household, we are bearing the brunt of the deposits left by the residents of Marina Drive who leave

their trash across from our property. The direct results are the trash bags are torn creating litter and a health hazard. We brought this matter to the attention of the Board of Health and were told the trash truck is unable to continue to make stops because it resulted in a broken axle. Hopefully, the town can make some arrangements that can make this cost effective for the collector."

Special Election, June 4

OVERRIDES/DEBT EXCLUSIONS

Reported by VIRGINIA MORGAN

In addition to the eight permanent overrides of Proposition 2½ relating to the operation of town government, there are also seven debt exclusions to be voted on at the Tuesday, June 4th, Special Election at Old Hammondtown School.

The permanent override increases the levy limit and results in a permanent increase in the levy capacity. The debt exclusion adds to the levy limit over the life of the borrowing but does not become part of the levy limit in future years.

Finance Committee Chairman Robert D. Banz wrote to all town department heads, chairpersons and the board of selectmen noting, "The annual town meeting has supported your plans and stated needs quite solidly; now we must prepare for the override election in order to put your budget into action. The finance committee members urge you to convince many of our town members that approval of our override is the right decision since so few of them attended

the town meeting." The committee also urged voters to understand the importance of getting informed on the issues and voting for the override items at the June 4th special election. The chairman wrote, "I still believe that informed town members will reluctantly agree that the budget we have presented them is the best course of action we have available to us. Voters: please help us to convert the annual town meeting results into a fiscal approved budget for fiscal 1992."

On the operating budget overrides:

1) Town Hall, $6,400. As explained by Selectmen Chairman John DeCosta at town meeting, "Among other increased expenses in the operation of town hall, the outside of the almost 100-year old building is badly in need of paint (built in 1896). Based on the 1991 tax rate of $10.30, this override would be .01 cent per thousand effect on the tax rate.

2) Printing and mailing town reports, $9,000. This is an annual expense. About 1.4 cents per thousand on the tax rate.

3) Elementary Schools operating budget, $95,828.25. About 15.1 cents per thousand on the 1991 tax rate. As explained by Peter Hodges, chairman of the Mattapoisett School Committee, 72 percent of the $2 million budget

is contractual salaries. Included in the override is $12,000 for a new special needs student; this budget takes a good portion of the total budget. "We have 25 teachers, with a 25 to one teacher student ratio per the contract."

4) Old Rochester Regional Schools operational budget, $182,542.03. About 28.7 cents per thousand on the tax rate. School committee member Dr. M.C. Rosenfield explained "we are not adding any new programs; we ar trying to maintain programs in education and athletics." The three towns' whole budget includes: 3 percent which are fixed charges; 6 percent, utilities; 5 percent, transportation; 2 percent, special education and 2/3 percent, balance of educational activity. The proportion of Mattapoisett students has gone up. The committee anticipates 4.2 percent in state aid cuts. He noted there is about 2 percent for potential contract agreements. Dr. Rosenfield added that if the three towns fail to pass the budget, there will be a loss of services, jobs and programs.

5) Tarring streets and roads, $49,675. About 7.8 cents per thousand on the tax rate. This is an annual expense placed by the highway surveyor, Wesley Bowman, and makes for an ongoing upkeep of town roads. Mr. Bowman explained there are a few roads that are in need of repair; some of the funds are for maintenance.

6) Collector of Rubbish, $73,709.10; about 11.6 cents per thousand on the tax rate. If override defeated, it could go to user fees.

7) Recreation, $19,919.23, about 3.1 cents per thousand on the tax rate. Wages, salaries and expenses for conducting basket-

8) Bathing Beach, $22,883.12, about 3.6 cents per thousand on the tax rate. This amount will pay the beach director, lifeguards and operation of the beach activities.

These articles will be listed separately on the ballot. If all are voted the effect on the tax rate will be about 72.3 cents per thousand, based on the fiscal 1991 tax rate, said Town Accountant Joseph Bolton.

The debt exclusion overrides, voted as special articles at town meeting, total $309,006. Town accountant Bolton explained "assuming that all debt exclusions pass, and based on the 1991 valuation, and with monies borrowed for a seven-year period at six percent, the principal would amount to 6.9 cents per thousand on the tax rate; interest in the first year would be 2.9 cents per thousand in the first year of the seven year loan.

1) Elementary Schools - Center School roof, tower and clock project for a total of $106,046.

2) Elementary Schools - Center and Old Hammondtown projects; namely, blacktop at Center and Old Hammondtown, $5,000 each, total $10,000; replace blackboards at Center School, $3,000; walk-in freezer plus contingency at Old Hammondtown, $11,000; and drapes at Old Hammondtown, $4,000, totaling $28,000.

3) Copier for the town hall, $7,600. Selectman Paul E. Lambalot explained at town meeting the present copier has made ½ mil-

lion copies. A new copier will be a heavy duty one and be capable of collating automatically. There is very little trade-in value, and if voted, the old one will be placed on the second floor of the town hall where its use will be less. Mr. Lambalot informed a voter that, "Yes, the town does charge private citizens for making copies." Town Clerk Lois K. Ennis said $384 was collected last year and went into the general fund.

4) Drain Cleaner Machine for the Sewer Department, $29,500. Water/Sewer Commissioner Clifford Tripp explained at town meeting this is their third attempt to purchase a drain cleaner; the first time the cost was $22,500; is now $7,000 more than the first request. Mr. Tripp said there are five miles of sewer lines and 62 drains and it's tough after all the rains to keep them all clean. "The towns of Fairhaven and Marion give us a hand by renting machines to use, and it has cost us almost $8,500 for rentals outside. As of now the highway department has spent $5,000 on rental costs. We have to service what we sell," Mr. Tripp emphasized. "Give us the tools we need."

5) Sewer Engineering and grant application costs, $110,000. Requested by the Water/Sewer Commissioners, Water/Sewer Superintendent William Nicholson said this same article was in last year's warrant, it passed town meeting, but failed at the special election. "This year with the $110,000 based on the 1991 tax rate, the effect would be six cents per thousand on the tax rate

to borrow for five years", said Town Accountant Joseph Bolton.

The superintendent said, "We have to keep the sewer system moving forward. We have to get the design on the shelf. When grants are available we can take an early advantage. There will be no cost to abutters for the design, but there will be a betterment cost when the sewer is put in."

Speaking at town meeting, Dr. M.C. Rosenfield, who lives in the affected area (Ned's Point, Baker Lane, Old Marion Road) said there is a definite need and the situation will not get better. Planning Board Chairman William Matthews said, "We just expanded the town's sewer capacity to Fairhaven, and we should use the expansion." Speaking as a former agent of the Board of Health, Donald C. Wood noted, "I can attest that this is one of the worst areas for sewerage."

6) Repair the surface, replace net posts and painting lines at the town tennis courts at Center School grounds, $21,060. This article was placed by the Recreation Committee, whose director John Shockro explained at town meeting the courts are used by all age groups and are in need of repair.

7) Tinkham Lane, engineering design costs for installing drainage and resurfacing. $6,800. This cost is for engineering only and not for any work on the road.

New Book on Marion

The Sippican Historical Society is pleased to announce that a new book, authored by historian H. Edmund Tripp, will go to print on June 1, 1991. The new book, "Reflections on a Town", offers Tripp's historical insights on Marion, the town that has been his home since 1903. As curator of the Sippican Historical Society museum, he has tirelessly researched, documented and preserved the town's heritage through most of his 87 years.

The book is based on three two-hour talks given by Mr. Tripp in 1990. In his talks, Mr. Tripp covered the history of Marion from 1638 to the present in an informal, anecdotal way. His talks were taped and transcribed for publication. John H. Ackerman, a member of the society board of directors, edited the transcriptions.

Mr. Tripp and Mr. Ackerman went through a great many of Tripp's old pictures in the belief that the book should contain many pictures to make it more interesting. The two men chose many old photos and roughly 200 photos are included in the book. Photos include scenes of Marion streets, homes, schools,

CLEAN-UP DAY

It's always more fun to clean someone else's house - so here is your chance.

Saturday, June 8th, 9:00 a.m. will be the annual clean-up day at the Museum and Carriage House, 5 Church Street, Mattapoisett. Now this is really a hands-on experience. We need all types of cleaning skills - polishers, dusters, sweepers, washers, plus some heavy work requiring some muscle.

Please come and give us a hand for an hour or more to get our Museum ready for the summer opening. You know the old adage, "Many hands .....", so please come and be one of those hands. You need not be a member to join in the fun.

Coffee and doughnuts will be provided.

Women's Community Guild

The Women's Community Guild of the Mattapoisett Congregational Church will hold its annual meeting and luncheon this year at Antone's Restaurant on Tuesday, June 4th, at noon. The menu will be baked scrod at $6.75 and reservations may be made with Marlene Crapo, 758-2088. Those wishing to carpool may meet at the church at 11:30.

Art Center ARTCAMP

There are still some openings in ARTCAMP, the Marion Art Center's Summer Program for children ages 4½ to 9. There are three two-week sessions: July 9 -18, July 23-August 1, and August 6 - 15. ARTCAMP meets on Tuesday, Wednesday and Thursday mornings from 9:00 a.m. to noon. Children are grouped by age (maximum 10 in a group). Activities include arts and crafts,

The staff is made up of professionals in their fields: Jessica Shepardson, theater arts, returns for her fourth year after having completed a very successful year running the children's theater program at the Center. Marilyn Brown, Suzuki and Tamaha Music Education specialist, returns for her second year and is a full-time member of the year-round music faculty at the Center for the past six years. Joan Prescott, certified art teacher, returns for her fourth year as arts & crafts teacher. Rachel Kuklinski joins the ARTCAMP staff this summer as creative movement instructor. Ms. Kuklinski is finishing a graduate degree at Lesley College specializing in early Childhood Education with special focus on multicultural curriculum.

Assisting the instructors will be Meghan Dolan, a college student majoring in art back for her fourth year, and Kristen Coykendall, ARTCAP alumnus, CIT.

For information, please contact Wendy Bidstrup, director, at 748-1266, or write to The Marion Art Center, Box 602, Marion MA 02738 for application.

Miss Corkum working with Ericka Vickers in math class.

From Old Hammondtown School

Recently Miss Aiken assigned another writing activity to her fifth grade class at Old Hammondtown School in which the children were to describe the trials and tribulations of being a herring. Before doing their research, the class decided it might be a good idea to observe the herring in action at the weir. It was decided un-

animously that herring did not lead an easy life. Many of the herring population never make it back up stream to lay their eggs because they are either caught for their eggs or bait, or are just too tired from their long journey.

Pictured with Miss Aiken's class is Sarah Corkum, a senior at ORRHS. Sarah had to complete community service for her honors psychology class. Thus, she offered her services to Miss Aiken and has been working with her classes two hours a week since September. Sarah did spend two months in Costa Rica as an exchange student studying Spanish. She will be attending Holy Cross in the fall. We all wish her a great deal of success in her future endeavors.

THANK YOU

Thank you to the seniors who participated in the workshop of assembling flowers, also Friends of the Elderly for providing the material. A special thanks to James Joaquin for his precision cutting of the flower parts. Much appreciation to the Council on Aging volunteers for delivering the flowers to new patients in area nursing homes. We hope to make this a lasting tradition.

Friends of the Elderly

In the May 22nd issue of Presto the article "Flowers" for the Nursing Homes neglected to mention that all of the workshops at Village Court have been sponsored by The Friends of the Elderly of Mattapoisett, and that all of the wooden flowers were handmade by our president, Jim Joaquin.

Many thanks to Nancy Fleming, Helen Richmond, Betty Gingras, Margaret McIntyre, Carrie Silveira, Lois Doninger, Florence Huntoon and Rosalie Joaquin, all members of "The Friends" who assisted. A special thank you to Marie Early of Fairhaven who instructed at some of the workshops.

The shell picture was a gift to Village Court from "The Friends", who recruited Carrie Silveira to create the picture, had it matted and framed and presented to the Housing Authority as a token of appreciation for use of the Village Court Recreation Room.

The Spaghetti & Meatball dinner held on May 18th was a great success, thanks to all who assisted and baked. Chairperson Vivianne Surprenant should be commended for an outstanding job of chairing this event.

ST. ANTHONY'S GUILD: A meeting will take place in the church hall on Wednesday, June 5th, at 7:00 p.m. A report of the nomination committee will be given and the election of officers held. Everyone is cordially invited and urged to attend.

GARAGE SALE: Treasures such as china, glasses, jewelry, toys, games, kitchen utensils, knick-knacks, books, portable furniture are wanted - no clothes, this time. Sale items may be brought to the rectory garage. The sale will take place on Saturday, June 22nd.

RAFTING ADVENTURE: We are looking into a Whitewater Rafting trip this summer in either the Kennebec or Penobscot Rivers in Maine. We will raft with the New England Whitewater Center; details are still being worked out. If interested in receiving more information please call Fr. Costello at the rectory; minimum age is 15.

Recycling Counts!

Lots of changes are on the horizon for Mattapoisett's wastes!

MA laws dictate the direction - in the same direction which we recyclers have been trying to steer you. Here's a run-down on some of the laws:

By the end of 1990 lead batteries (car-type) were banned from landfills and incinerators. (You may bring yours to the building at the Recycling Center at the landfill site. When enough pile up, we'll dispose of them properly.)

By the end of 1991 landfills will not accept leaves and grass clippings. They must go to the COMPOST AREA at the landfill. We

know that many of you are already doing this. Good for you! (Grass clippings are beneficial for keeping moisture in and not having to water it so often. Here comes water conservation and less work for you!

Also, by the end of 1991 (and we're ½ way there) landfills cannot accept white goods (stoves, refrigerators, sinks, etc.).

By the end of 1992 the landfill will no longer accept (in addition to leaves and grass clippings): aluminum cans and containers, metal or glass. But - you can recycle these NOW and see how much less goes to SEMASS for incineration. We're waiting for you at the Recycling Center.

These MA laws are an actuality. This is one of the reasons why we recyclers have started the Center for Recycling. It is the way of the future - now MA laws are insisting that we do it. We've paved the way. Many of you have responded. For those who haven't yet started recycling, the time is NOW!

The Recycling Center is located at the landfill site, off North Street. It's open Tuesday through Saturday, 8 to 2. The landfill attendants are helpful -- ask them if you have any questions.

Stang Students Compete at BU

Nathan Tynan, son of Linda and Bob Kelsey of Mattapoisett, and Jim Wesoly, son of Paul and Chris Wesoly of Fairhaven, placed fourth out of fifty-six teams in Boston University's first annual King of the Hill Competition. The boys designed and built a car that could climb a ramp and also defend itself at the top of the hill for 15 seconds against another car. Nathan and Jim took three and a half months to build their car and built two separate cars in trying to perfect their design. Boston University came up with the idea for juniors in high school in trying to encourage students to enter the engineering field. The first place team each received a $10,000 scholarship to Boston University. Eighty plus teams entered and fifty-six teams from all over the east coast arrived for the competition.

Both boys are honor roll students, as well as active in several clubs and sports, at Bishop Stang High School. Both boys have also been chosen to attend Boys State. Jim would like to attend the U.S. Air Force Academy and Nathan plans to study Advertising/Marketing.

Free Dental Screening

In the past, Sippican School had its own dental clinic where examinations and dental care were carried out by the school dentist and the school hygienist. With the advent of fluoridation (of which Marion has never taken advantage) the selectmen eliminated funding of the clinic.

PROGRAM AT BAPTIST CHURCH

The First Baptist Church at 149 William Street, New Bedford presents "AMERICA, You're too young to Die!" on Saturday, June 8th, at 7:00 p.m. at the church.

This presentation has appeared before 3 million people from coast to coast and has been produced as a national prime-time television special. The program is a multi-media production by the Life Action Singers.

The public is invited and admission is free. Join the Life Action Singers in an unforgettable call to revival in America.

Don't Rock the Boat!

The small boat often used in fishing, hunting and day cruising tends to be unstable, making it easy to swamp or capsize, or tip enough to send a standing boater into the water. Standing in a small boat raises its center of gravity, which increases its instability. Many sportsmen have fallen overboard when they stood up to cast a line, land a catch or answer nature's call.

Modern outboard boats have a capacity plate that indicates the maximum safe outboard horsepower and carrying capacity of a boat. A boat's capacity includes the combined weight of passengers, outboard and other equipment. The number of seats in a boat is not a measure of the capacity. If a boat is overloaded, it has little freeboard (the distance from the waterline to the top edge of the boat), which makes it

more likely to tip or swamp.

If the boat does tip stay with it. Most boats today have flotation, and will remain afloat if they are tipped. Boaters who fall in should stay calm, get back in if possible, or climb onto an overturned boat and wait for help.

June 2-8 is National Safe Boating Week. The Coast Guard Auxiliary urges you to use safe boating practices this week and throughout the boating season.

"Nobody Wants Warts"

FHS DRAMA CLUB

Fairhaven High School Drama Club presents "Nobody Wants Warts". This play was written by Sam Bryant based on improvisation done by the Drama club. Actors in the play are: Shane Dupont, a senior; Lynn Storoy, a junior; Krista Storoy, Marc Pittsley, and Heather Robbie, sophomores; and Maggie Cleveland and Marisa Szczepan, freshmen. This is a play about teen age depression.

A synopsis: The teacher is called away during detention, leaving several students alone in the room. They begin to harass each other because of differing outward appearances but eventually come to discover that they have a lot in common.

The performances will be on Thursday and Friday, June 6th and 7th, at 7:30 p.m. in the Knipe Auditorium on the second floor of Fairhaven High School, Route 6 in Fairhaven. Tickets are $3.00; $2.00 for students and seniors; and will be sold at the door.

Being the same premises conveyed to these mortgagors by deed of Frederick Kelley dated March 15, 1979 and recorded with said Registry at Book 4628 Page 25.

PARCEL TWO: The land in Mattapoisett, Plymouth County, Massachusetts; together with any buildings thereon, bounded and described as follows:

NORTHERLY by Long Plain Road, one hundred fifty (150) feet;
WESTERLY by Lot 2 on plan hereinafter mentioned, four hundred sixty-seven and 66/100 (467.66) feet;
SOUTHERLY by land now or formerly of Dennis Mahoney & Son, one hundred ten (110) feet;
EASTERLY by Lot 4 on plan hereinafter mentioned, four hundred fifty-seven and 41/100 (457.41) feet.

Being Lot 3 on plan of Land of Robert Bochman and Lorraine Oliver in Mattapoisett, Massachusetts, Drake and Gilmore Associates, Inc., dated July 6, 1978 and recorded in Plymouth County Registry of Deeds at Plan Book 20 Page 391 and containing 59,583 square feet, more or less

Being the same premises conveyed to these mortgagors by deed of Frederick Kelley dated March 15, 1979 and recorded with said Registry at Book 4628 Page 26.

In the event of any discrepancy between the description of the premises as set forth hereinabove and as described in said mortgage, said mortgage description shall control.

THE PUBLIC AUCTION WILL BE CONDUCTED IN THE FOLLOWING MANNER: The Premises will first be offered for sale as individual lots, in an order to be announced at sale. Then both of said two lots will be offered for sale together as a group directly following the individual lot sales, on the date and at the place set forth above. If the highest bid for the said two lots as a group in a single sale shall equal or exceed the cumulative total of the highest bids at which each of the said separate lots would be sold at the earlier two sales, then the earlier sales of said separate lots shall be voided and any and all deposits paid therefor returned to the highest bidders and both lots shall be sold to the highest bidder for said two lots as a group in a single sale. If the highest bid for said two lots as a group shall not equal or exceed the total of the cumulative highest bids for the individual lots as two separate sales, then each of said two lots will be sold to the highest bidder at each such separate sale.

TERMS OF SALE: The highest bidder at any sale of each of the separate lots in the preceding paragraph shall be required to deposit Five Thousand ($5,000.00) Dollars in cash or certified check at the time and place of each individual lot sale, the balance of the purchase price being payable within twenty-five days from the date of sale. The highest bidder at the sale of both of the lots as a group shall be required to deposit Ten Thousand ($10,000.00) Dollars in cash or certified check at the time and place of sale, the balance of the purchase price being payable within twenty-five days from the date of sale.

Any party who is a successful bidder at one or more of said separate sales who also wishes to qualify as a bidder for the single sale may elect to apply any deposit or deposits so made in connection with such separate sale or sales toward the deposit required for the single sale.

Premises will be sold subject to any and all unpaid municipal taxes, tax titles, liens and assessments, if any.

OTHER TERMS TO BE ANNOUNCED AT THE SALE.

CIVIL ACTION
NO. CA91-0582

To ROBERT M. OGDEN, 4 Maple Road, Mattapoisett, MA 02739 and to all persons entitled to the benefit of the Soldiers' and Sailors' Civil Relief Act of 1940, as amended.

FAIRHAVEN SAVINGS BANK, a Massachusetts corporation, having its usual place of business at 215 Washington Street, Fairhaven, Massachusetts, claiming to be the holder of a mortgage covering real property situated in Mattapoisett, Massachusetts in said County of Plymouth on Acorn Lane and numbered 4, given by ROBERT M. OGDEN to FAIRHAVEN SAVINGS BANK dated July 24, 1990 and recorded with Plymouth County Deeds, Book 9873 Page 68 has filed with said court a complaint for authority to foreclose said mortgage in the following manner, to wit: by entry and possession and by the exercise of a power of sale contained in said mortgage.

If you are entitled to the benefits of the Soldiers' and Sailors' Civil Relief Act of 1940 and amendments thereto and you object to the foreclosure of said mortgage, you or your attorney should file a written appearance and answer in said court at Plymouth on or before July 22, 1991, or you may be forever barred from claiming that such foreclosure made under such authority is invalid under said act.

Witness, Robert L. Steadman, Chief Justice of our Superior Court, the twenty-second day of April in the year of our Lord one thousand nine hundred and ninety-one.

and the selectmen have approved, a policy of funding town department budgets to limits allowed by Proposition 2½. Monies requested in excess of these limits have been referred to the voters as override articles. All of these articles on the ballot were approved by those attending the town meeting on May 4th.

As a result of these decisions, the Mattapoisett Elementary School Committee is requesting voter approval of an additional $95,828.25. The committee understands the position adopted by town officials. However, there are particular characteristics of the school budget which make the Proposition 2½ limit unworkable, if not impractical, under current conditions.

A majority of the monies being requested is in the form of prior agreed-to contractual commitments (wage and salary contracts),

state mandated programs (special needs) and fixed charges (utility costs and transportation). These elements make up 90.3% of the overall budget request and 86.3% of the increase over the previous year's budget. The remaining elements, including supplies and equipment, have been relatively level-funded from prior years.

The School Committee, recognizing these characteristics, has attempted to control costs wherever it had the discretion to do so. $125,000 was eliminated from original school requests. The requests were not extravagant to begin with, containing only normal increases felt necessary to continue usual operations. Nonetheless, the money was eliminated. Other changes included not hiring a replacement for a retiring teacher, changing a teaching position to one requiring an aide and cutting the popular and successful Reading Recovery program by fifty percent. These responsible reductions have brought us to a minimum threshhold of retaining people and programs to deliver a quality of education consistent with the desire of the people of Mattapoisett.

A major concern voiced by many townspeople is the impact of the requested funds on their property tax bill. At current valuation levels, our request will add only $26. per year to a bill having a $150,000 valuation and $35. per year to a bill having a $200,000 valuation.

At a time when all services are becoming more costly, education cannot be relegated to a secondary position with respect to funding. The retention of the present level of educational services is fundamental to the well-being of our children. It provides them with the basic developmental support so necessary to enable them to perform on an equal footing with their peers at later stages.

For these reasons, the voters of Mattapoisett must support the override request pertaining to the elementary school budget on Tuesday, June 4th.

Peter B. Hodges, Chairperson
Mattapoisett Elementary School Committee

supported the system in the past are today eroding it. Just look at our neighboring towns of Lakeville, Middleboro, and Dartmouth.

Fortunately for the three towns of Marion, Mattapoisett and Rochester, the voters have supported our schools in the past. Hopefully we have the foresight to continue our support for the students.

The ORR Regional budget represents an increase of 7.6%. Of the total increase 4% represents higher costs for health insurance, workman's compensation, and other fixed costs. Transportation, higher energy and special education accounts for 1.3%, where educational programs represent 2.3%.

The warrant shows an override of $182,000 for the town of Mattapoisett. But this figure represents a $478,313.03 cut (Marion and Rochester's share) if Mattapoisett and Rochester do not pass their overrides.

What does this override mean on your taxes? The tax rate has been set at $9.02 per thousand of assessed valuation of your property. Or if you own a home worth $150,000 can you afford $65. a year for education (both elementary and regional)?

We the guardians - parents, grandparents, educators and citizens - need to preserve the American tradition or obligation of supporting our children with a vote for education.

Next Tuesday, June 4, Mattapoisett voters will be asked to make decisions on several overrides. To sustain services at both the elementary and regional educational systems vote "YES" on the ballot articles #3 and #4.

Dale C. Bradshaw
Concerned Parent

TO THE VOTERS OF MATTAPOISETT:

On Tuesday, June 4th, there will be an election for the budget overrides in Mattapoisett. It has been brought to our attention that if the override for the Elementary School does not pass, our exceptional school band program may be one of the cuts. The idea of this happening in our school system is devastating. This year alone our band at Old Hammondtown has achieved the following honors:

Jazz Band - Invited to perform at the all-State Banquet for all Massachusetts Music Teachers (chosen by a panel of judges from over 40 tapes).

Silver Medal / Jazz Educators' Association (judged against Junior High School students).

Invited to perform next year and accepted at the All New England Jazz Band Competition in New Hampshire.

Invited to perform next year in Springfield and Pittsfield.

A video tape of the Jazz Band has been

LETTER TO THE EDITOR

When the people of Mattapoisett ask themselves what they want out of their taxes, it's likely the answer will be (not necessarily in order of importance) police and fire protection, trash pick-up, snow removal, some parks and recreational facilities, and a good school system for their children.

The fact of the matter is that the revenues the town has taken in over the past few years haven't really kept pace with the steeper rise in the costs of doing business over that same period.

Despite these pressures, we have maintained student achievement, most programs, and our

two school buildings, but there is just so far you can stretch resources.

No matter where we stand in the political spectrum--conservative, moderate, liberal or progressive -- whether we think we're paying too much in taxes, most of us would agree that if we want a good, quality product we have to be willing to pay for it.

An educated citizenry is essential to the future and well-being of Mattapoisett.

If we wish to continue to provide the children of our town with a quality education, we must vote for the Prop 2½ Override to fund our elementary schools' Fiscal 1992 Budgets.

The Mattapoisett Educators' Association

TO THE EDITOR:

The Recreation Committee asks the townspeople to continue to support the town's youth, young adults and adult programs by voting yes on ballot #7, #8 and #14 on June . A yes vote for #7 Recreation will increase the taxes by $.03 per $1,000 which translates to $3.00 per $100,000 valuation and #8 Beach will increase the taxes by $.04 per $1,000 which translates to $4.00 per $100,000 valuation. The tennis courts will be a debt exclusion.

The Recreation Committee supports the baseball instructional league, minor league, little league and Babe Ruth and involves 282 youths. Softball has four teams with 52 players. The basketball program has a junior and senior

league for boys and girls. That's 136 boys and 119 girls involved in basketball.

The town beach last summer provided swimming lessons for 200 children. The Arts and Crafts six week program averaged 20-30 children a day.

The tennis instruction serviced 105 children. The courts are in constant use throughout the spring, summer and fall by the adult population in town as well as the young people.

The aerobics program has 35 adults.

Children cannot vote. They depend on adults to make the right decisions and keep their best interest in mind when we go to the polls to vote. We urge you to vote yes for #7, #8, #14. We also support a yes vote for #3 and #4 because supporting education lets us help shape the future and it is the right thing to do. Thank you for your continued support.

John, son of Mr. and Mrs. David McKinney of Mattapoisett, and David, son of Mr. and Mrs. David Tomasia, Sr., of Mattapoisett, will join students from across the state in this annual program. Florence Eastman Post #280 of the American Legion is sponsoring both students.

To be eligible for Boys State, a student must be a member of the junior class who has been successful academically. Delegates must also show evidence of leadership ability and an interest in the democratic process. At the convention delegates will establish and operate state government in miniature. This will include forming two political parties, holding conventions, nominating candidates, conducting campaigns and electing officials. The primary goal of Boys State is a better understanding of how state government functions.

John McKinney has been an active participant in the VICA program at Old Colony. During the Massachusetts Skill Olympics last month he captured a silver medal in electronics in competition against students from across the state.

In addition to his academic and vocational competencies, David Tomasia is a talented athlete. As a junior he was a starting guard on the varsity basketball team this past season. He is also a member of the National Honor Society.

David will be receiving a certificate from Southeastern Massachusetts University this month for his successful participation in Project Spotlight, a program for gifted and talented high school students.

PROGRAMMING CONTEST

Three sophomores (Dan Vigeant and John Matos from Mattapoisett and Derek Ferro from Acushnet) participated in the 8th annual programming contest Friday, May 3rd, at the computer facility of Wentworth Technical Institute in Boston.

Approximately 15 teams representing vocational and comprehensive schools throughout the state participated in the event. Each team shared one terminal and only two participants were allowed in the computer room while the rest of the team remained to code programs in the institute's library.

All teams were given six programs to code, key in, compile and test in the four hours given them and could use either BASIC or PASCAL languages. Although Old Colony

did not win honors, it was a learning experience especially when one realizes that the competition were mostly high school seniors and some juniors. All participants will be given a Certificate of Participation to be mailed later this month. It is interesting to note that the first and second place winner only completed two programs while third through seventh place finishers completed one program at the end of the allotted time.

A well earned dinner was served at 2:15 p.m. followed by presentation of the first, second and third place awards. The event concluded at 2:45 p.m. and we were back to Old Colony by 4:15 p.m.

The Old Colony team learned much and hopes to have "an edge" on next year's competition.

Host Families Needed

The Student Travel Schools (STS) program seeks host families for European exchange high school students during the 1991-1992 academic year. STS, a non-profit educational student exchange program is founded on the belief that international student exchange promotes understanding, respect, and goodwill among people world-wide. This exchange program brings high school children from eleven countries to live with host families. Both exchange students and host families benefit by learning about each other's cultures.

Host families come from all walks of life. They may be single, married, with or with-

All proceeds to benefit New Bedford Child and Family Service.

Kayaking on Westport River

Come join the Lloyd Center as we spend a day kayaking on the Westport River on Saturday, June 1st. We will familiarize you with the basics of kayaking and spend the rest of the day paddling the river. Along the way we will most likely encounter such migratory birds as ospreys, herons, egrets, terns and gulls of all kinds.

The Lloyd Center's education and research staff will investigate the natural history of the Westport River as you enjoy the beautiful aesthetics of this environmentally vital

The rain date for the kayak trip will be Sunday, June 2nd. For more information and registration for this fun, adventurous and educational trip, contact the Lloyd Center at 990-0505 or stop by the Lloyd Center Tuesday through Sunday and Monday holidays 9 a.m. to 5 p.m.

The Piping Plover

Spend the best part of the day on the best day of the week on the beach learning about southeastern Massachusetts' favorite but environmentally "threatened" shorebirds. On Sunday morning from 9 a.m. to 11 a.m. the Lloyd Center for Environmental Studies is offering a guided nature walk in which participants will learn the life history of the Piping Plover.

As the Massachusetts shore provides a home for the second largest population of this federally threatened bird, the Lloyd Center would like to take the opportunity to educate the public about the piping plover's history, current recovery efforts, and to provide a better understanding regarding the importance of maintaining the plover as a species for generations to come.

The Beach Bird-walk is free and open to the public. So come out to the beach and learn about this interesting shorebird. For more information and registration contact the Lloyd Center at 990-0505 or stop by 430 Potomska Road in South Dartmouth, 9 a.m. to 5 p.m. Tuesday through Sunday and Monday holidays.
